I'm Dawit Atreso. I'm a self-taught web developer and video editor. I love learning new things every day. I have excellent communication skills and problem-solving skills. I believe I can work any type of job or field and I am hundred percent committed to all my work.

EXPERIENCE

1 JAN 2021 – 2022

WEB DEVELOPER, VOICE ET NEWS MEDIA

I have worked as a web developer, writer, video editor, graphics designer, and consultant role for the media. Also, I support the media to grow on social media and reach a lot of people and I performed really well.

I grew up working in various fields and my curiosity to learn new things support me to grow and achieve my goals. For instance: I have worked as a barber, writer, and shopkeeper.

EDUCATION

2021-2022

GCSE (EQUIVALENT), FUTURE SKILLS, COLLAGE

I have a certificate in level 2 mathematics and English. I also took courses on applied mathematics and mechanics at Arba Minch University.
